

European Women in Mathematics Conference of the German Chapter

Mathematikon, Universität Heidelberg, 3–4 May 2018

Welcome by the Regional EWM coordinator for Germany

Barbara Gentz, Faculty of Mathematics, University of Bielefeld

EWM: The European Women in Mathematics Mission and Activities

Conference organized by

UPSTREAM – *The Network for Women in Maths* (Heidelberg)
Konstanz Women in Mathematics: Paths in Studies and Career (KWIM)

Supported by

RTG 2229 *Asymptotic Invariants and Limits of Groups and Spaces*
HGS *MathComp*
Match (Mathematics Center Heidelberg)

European Women in Mathematics

EWM

- Founded in 1986
(after participation of several European mathematicians to an AWM-organized roundtable at the ICM 1986 in Berkeley)
- Registered as an association since 1993
(in Finland, with seat in Helsinki)
- Non-profit
- Represented in more than 30 countries
- Membership open to all women; men (and organizations) can be supporting members
- Several hundred members

European Women in Mathematics

Mission

The purposes of EWM are:

- *To encourage women to take up and continue their studies in mathematics and to promote mathematics among women.*
- *To support women with or desiring careers in research in mathematics or mathematics related fields.*
- *To provide a meeting place for these women.*
- *To foster international scientific communications among women within and across fields in mathematics.*
- *To promote equal opportunity and equal treatment of women and men in the mathematical community.*
- *To cooperate with groups and organizations with similar goals.*

(Article 2, Clause 1 of the Statutes)
