

Ögmundur Eiríksson

Born Dec. 18th 1989 in Selfoss, Iceland

Phone: +49 521 106 67037

E-mail: oeirikss@math.uni-bielefeld.de

Language skills

Icelandic: Native language.

English: Fluent.

German: Fair.

Danish: Good reading skills, poor speech and writing.

Education

PhD Mathematics, Universität Bielefeld 2014–.

MSc Mathematics, Rheinische Friedrich-Wilhelm Universität Bonn on a BIGS Pre.PhD Scholarship 2012–2014.

BSc Mathematics, Faculty of Physical Sciences at University of Iceland 2009–2012.

Menntaskólinn að Laugarvatni Gymnasium, 2005–2009.

Work Experience

Assistant teaching at University of Iceland 2011–2012.

Agricultural work over summer and weekends 2001–2010.

Writing material for teaching mathematics summer 2011.

Attended Workshops and Conferences

08/2017 BIREP Summer School on Gentle Algebras, Bad Driburg.

05/2017 IDUN 75 - A Conference on Representation Theory of Artin algebras on the occasion of Idun Reiten's birthday, Trondheim.

08/2016 ICRA XVII - Workshop and International Conference on Representations of Algebras, Syracuse.

03/2016 Workshop Weighted Projective Spaces and Representation Theory, Hefei.

08/2015 BIREP Summer School on Koszul Duality, Bad Driburg.

03/2015 Spring School: Kac Conjectures and Quiver Varieties, Wuppertal.

Other

IMO-participant for Iceland 2007 & 2009.

Nordic Mathematical Contest 2007–2009.

Finalist in national Physics Contest 2007–2009.

Finalist in national Chemistry Contest 2009.

Baltic Way team member for Iceland 2008.
